To whom it may concern

Zahraa Schroeder joined the Radio 786 news team as an intern for the period, November 2018 – February 2019. She has proven to be a self-motivated hard worker.

She completed tasks well-within the deadline, doing extensive research into the topic, and showed enthusiasm during her time here. Zahraa has also taken initiative by editing pre-recorded audio, for broadcast.

During her time at Radio 786, Zahraa conducted several interviews in the field, and live on our afternoon drive time show. She has also become competent in packaging audio reports, which were broadcast on air. Zahraa continues to be the presenter on our Two Oceans Aquarium feature, which is recorded for radio, while a video is also taken which features on our Facebook page.

She has proven a natural on air, and cultivated a good relationship with our listenership.

Zahraa has proven that broadcasting is in her blood, and will flourish in whichever field she chooses.
